

# Hill & Valley Exploration Tour

## A Celebration of Rural Living

September 16–17 and 23–24, 2023

### Our Mission

The Hill & Valley Exploration Tour – a cooperative venture of rural farms, businesses, historic sites, educational institutes, and artists – strives to connect rural venues with consumers, cooperatively advertise for economic development, assist young farmers, and provide hands on education about our vital agricultural community. The Hill & Valley Exploration Tour is an economic revitalization effort through the creation of a direct marketing system for rural products and food.

On the The Hill & Valley Exploration Tour you can easily find local food and art producers, learn about the changing face of rural America, dine at a true Farm-to-Fork country eatery, find hidden gems, and visit a historic Folk Art site. Don't forget to bring your cooler to hold all your farm fresh purchases, an extra sweater, and the mud boots; this is country fun — rain or shine!

# Geocaching on the Hill & Valley Exploration Tour!

Grab your smartphone or handheld GPS and join us on the popular worldwide high-tech treasure hunt called Geocaching. We added this family

friendly activity to the Hill & Valley Exploration Tour in 2021 and have updated our geocaches for 2023. We hope to inspire outdoor adventure and exploration with location-based technology.

Download the free Geocaching App or visit **geocaching.com** to create an account, then grab the coordinates for each “treasure” from our website [explorehillandvalley.com](http://explorehillandvalley.com) and head on out to see us. Find the geocache, take in the scenery, sign the logbook, and rehide the geocache for the next person. Make sure to enjoy all that the Hill & Valley Exploration Tour has to offer! Visit our website for more information about this new exploration option on the Hill & Valley Exploration Tour!
