Visit 511WI.gov for most current road construction information!

Geocaching on the

Hill & Valley Exploration Tour!

Grab your smartphone or handheld GPS and join us on the popular worldwide high-tech treasure hunt called Geocaching. We added this family friendly activity to the Hill & Valley Exploration Tour in 2021 and have updated our geocaches for 2024. We hope to inspire outdoor adventure and exploration with location-based technology.

Download the free Geocaching App or visit geocaching.com to create an account, then grab the coordinates for each "treasure" from our website explorehillandvalley.com and head on out to see us. Find the geocache, take in the scenery, sign the logbook, and ride the geocache for the next person. Make sure to enjoy all that the Hill & Valley Exploration Tour has to offer! Visit our website for more information!

Explore HVE Tour Rewards!

Visit 10 or more venues for a chance to win \$100 in Gift Certificates to use at your favorite Hill & Valley Exploration Tour Venues!

At each venue visited, receive a punch on the map. After you have at least ten punches on your brochure, complete your contact information and turn in your punched brochure at any venue. ABOUT the Hill & Valley Exploration Tour: A Celebration of Rural Living

September 21-22 and 28-29, 2024

Our Mission

The Hill & Valley Exploration Tour (HVETour) – a cooperative venture of rural farms, businesses, historic sites, educational institutes, and artists – strives to connect rural venues with consumers, cooperatively advertise for economic development, assist young farmers, and provide hands on education about our vital agricultural community. The Hill & Valley Exploration Tour is an economic revitalization effort through the creation of a direct marketing system for rural products and food.

On the Hill & Valley Exploration Tour you can easily find local food and art producers, learn about the changing face of rural America, dine at a true Farm-to-Fork country eatery, find hidden gems, and visit a historic Folk Art site. Don't forget to bring your cooler to hold all your farm fresh finds, an extra sweater, and the mud boots; this is country fun — rain or shine!
