ABOUT the Hill & Valley Exploration Tour:
Our Mission
A celebration of rural living

The Hill & Valley Exploration Tour – a cooperative venture of rural farms, businesses, historic sites, educational institutes, and artists – strives to connect rural venues with consumers, cooperatively advertise for economic development, assist young farmers, and provide hands on education about our vital agricultural community. The Hill & Valley Exploration Tour is an economic revitalization effort through the creation of a direct marketing system for rural products and food. On the Hill & Valley Exploration Tour you can easily find local food and art producers, learn about the changing face of rural America, dine at a true Farm-to-Fork country eatery, find hidden gems, and visit Historic and Folk Art sites. Don't forget to bring your cooler to hold all your farm fresh purchases, an extra sweater, and the mud boots; this is country fun — rain or shine!
